

Dear Parent,

Thank you for your interest in Mars Hill Academy, Cincinnati's only independent K-12 classical and Christian school.

Mars Hill Academy is committed to the time-tested classical model of education, which produces students who love to learn, and who think clearly, write persuasively, and speak precisely. A distinctly Christian worldview is integrated into our entire student experience, which includes academics, arts, athletics, and service. Our aim is to graduate students who have a deep understanding of their world; the ability to discern truth, beauty, and goodness; and the ability to think, learn, and influence the world for the glory of God.

Mars Hill Academy was founded in 1996 in southeast Cincinnati. Today, over 360 students are enrolled at our beautiful 13-acre campus in Mason. Our staff consists of exemplary Christian men and women who love their students, their subjects, and the teaching vocation. MHA provides our students with an engaging atmosphere in which to think, study, master, and achieve.

Mars Hill Academy students regularly score well above average on national standardized tests. Historically, over 25% of our seniors have been recognized by the National Merit Scholarship program. *Cincinnati Magazine* has ranked our high school among the top five private high schools in Cincinnati. Mars Hill Academy students graduate well-prepared for college, work, service, or any future endeavor.
