

Dear Parents,

Welcome to Providence Classical School. We are humbled to see what the Lord has done and is doing in our school. Since 1999, we have been committed to partnering with families in Texas to provide a classical and Christ-centered education. Using the classical model, we train our students to impact their culture for Christ. While this mission does include the broader culture outside of PCS and the future culture our students will experience after graduation, we also charge our students to impact our own school culture for Christ. We desire for every aspect of our school to bring glory to God.

We appreciate your consideration of PCS as a place to educate your child(ren). Recognizing that during a normal week, children spend at least thirty-five hours at school, we want to let you know that we do not take this responsibility lightly. We are committed to guiding the hearts of our students and teaching with excellence. Our teachers, the most influential asset of our school, love the Lord, love their students, and are passionate about the subjects they teach.

I encourage you to browse our website and learn about the mission, vision, and programs of PCS. I also encourage you to contact our Admissions Office to schedule a visit to our campus or to find out about upcoming opportunities to learn more about PCS. We look forward to partnering with you in the training of your child(ren).

*Semper excelsior ad gloriam Dei* (Always ever upward to the glory of God),
